

April is Earth Month

Come out and help the
4-H Conservation Club to
clean up a small part of it.

We will be picking up trash from
Pleasant Valley Park
on Sunday, April 13, 2008,
from 1:30 PM until ?

Safety Vests, Gloves, and Trash bags will be provided.

Suggested attire: long pants, long sleeves, boots/sneakers

We will start our clean up along the Pleasant Valley Park border with Pleasant Valley Road. Once that trash has been picked up, we will move into the park itself to clean up one of several old farm dump sites. Which one we do will depend on crew strength and available resources.
